Buildings must be set back 15 feet from the front property line and 5 feet from the adjacent property owner. Manufactured homes must have a permanent frost free foundation system which meets the support and anchorage requirements recommended by the manufacturer or required by the State Building Code. The foundation system must be visually compatible with permanent foundation systems of surrounding residential structures.

Fences must be set back a minimum of 1 foot inside the sidewalk or the curbstop must be outside the fence and 5 feet from adjacent property. A written agreement between property owners that is provided with the permit will allow the fence to be built on the property line.

Paved Driveways (asphalt/concrete) must be a minimum of 5 feet from adjacent property, unless there is a written agreement from the adjacent property owner presented with the permit. Water curb stops cannot be covered unless there are covers installed for access by the city. Please indicate on the application if you will be installing a cover.
